50th Anniversary of the Department of Peptide Chemistry, Hungarian Academy of Sciences

Dear Ferenc,

On behalf of all members of our laboratory I wish to express my sincere congratulations to the 50th Anniversary of the Department of Peptide Chemistry of Eötvös Loránd University. I am convinced that your laboratory will continue in its leading international scientific role and reputation, for which your work and that of the many past and present colleagues of your Department are standing.

The attached photo is a small illustration of the long standing scientific collaboration and personal relation between our laboratories, which we sincerely aim and wish to continue.

With all best wishes for an enjoyable Anniversary

Michael Przybylski
Marilena Manea
